LA STELLA

Piccinini Family Cellar | Rare & Mature Wines

A Note on Our Vintage Wine Collection

Our cellar features rare and mature wines, some aged for several decades. Each bottle is a unique expression of its vintage, and mature wines may show natural variation in aroma, flavor, color, and development.

Our Vintage Wine Guarantee. We gladly accept returns for wines demonstrably flawed by cork taint or heat damage. Mature wines naturally vary in aroma, flavor, color, and development; these characteristics alone do not constitute a flaw. Please speak with your sommelier so we may evaluate any concerns together.

BAROLO
