WELCOME TO THE HORSEMEN

Centred around American-Irish equestrian heritage and the story of migration, the site at No.1 Broadgate brings together two experiences under one roof, separated by a velvet curtain.

The Horsemen, an Irish pub and freehouse, specialises in draught Guinness and a curated collection of American and Irish whiskeys — from distinctive bourbons to an exceptional range of Irish pot still expressions. Fitzgerald's offers an intimate, jockey-club-inspired dining room serving an all-day Dublin-to-Kentucky grill menu.

Whether you're hosting a lively after-work drinks reception, an exclusive corporate breakfast meeting, or an intimate multi-course dinner, we seamlessly bridge the gap between charm and premium hospitality.

TERRACE SPACES

Positioned in the heart of Broadgate Circle, our outdoor spaces offer the perfect backdrop for open-air drinks, summer team gatherings, and vibrant evening receptions.

Mirroring our dual-concept interior, we have two terraces which can be combined or host smaller groups.

Our terrace spaces are open subject to weather conditions.

While we will always do our best to help if the weather takes a turn, we cannot guarantee that an indoor space will be available.

We recommend booking a space indoors too, to ensure your booking can proceed in the event of wet weather.

EAST SIDE

The ultimate alfresco experience. Enjoy exclusive use of our premium terrace space, which accommodates smaller groups outside Fitzgerald’s for pre-dinner drinks or a relaxed dinner in the open air.

NORTH SIDE

Perfect for smaller, casual gatherings. Reserve one or more of our signature high-top pub barrels to give your guests a base in the lively atmosphere of the Circle. Offering an effortless indoor-outdoor flow for drinks receptions and vibrant corporate mixers.
