

A Modern Italian Fine Dining Experience

SARTIANO'S

(THE MERCER)

Welcome to Sartiano's

Nestled in the heart of SoHo at The Mercer, Sartiano's combines Italian heritage and fare with a modern fine dining experience.

Sartiano's was created by prominent lifestyle architect, Scott Sartiano, with culinary direction from three-time James Beard award winner Chef Alfred Portale.

Large Party Reservations

An intimate, semi-private experience within our Dining Room.

Due to the size of our Main Dining Room, we are only able to offer up to two large parties (6 to 8 guests) nightly, we accommodate these large parties between 5:00 and 5:30 PM and again after 8:00 PM (one large-party reservation for each time). All inquiries for 9 or more guests in the Main Dining Room must be submitted for approval before we are able to offer to parties.

We accept these reservations one month in advance by the numerical date at 10:00 AM. We encourage you to call our Reservations Office, as we have multiple large party requests for any given evening and only the two available reservations.
