## THE DETAILS

At Pietro's, every private dining event is crafted to create an unforgettable experience that embodies elegance, warmth, and personalization. We transform our space with care, setting each table with custom-designed menus, fresh seasonal floral arrangements, and soft candlelight to bring an inviting ambiance. When you celebrate with us, you can trust that every detail will be handled to perfection, ensuring your gathering is memorable from the first moment to the last.

We offer two distinctive styles to suit a range of occasions and preferences:

**Family-Style Seated Dinners:** Perfect for larger gatherings, this option fosters a communal, shared experience where each dish is served family-style, encouraging guests to connect over generous platters of authentic Italian cuisine. This is an ideal choice for celebrations that seek to evoke the warmth and spirit of a traditional Italian feast.

**Plated Seated Dinners:** For a more formal and intimate affair, each course is artfully plated and served to each guest individually. This option is tailored for smaller groups of 24 guests or less who want a refined, elegant dining experience where presentation is elevated, and each guest can savor our chef's creations as they are beautifully plated.

Our dedicated events team will work closely with you to bring your vision to life, personalizing each element to reflect your unique style and preferences. When you choose Pietro's for your celebration, you choose a venue where timeless elegance meets authentic Italian hospitality, ensuring a memorable, one-of-a-kind experience for you and your guests.
