THE PLANNING PROCESS

EVENT SPACE CONFIRMATION

Our dedicated events team is awaiting your event details and is thrilled to provide you with information on packages, menus and available spaces for your desired date. Please note, a contract and deposit are required to secure any space and email correspondence does not guarantee your space. A 50% non-refundable deposit is required at the time of the event reservation in order to secure space. A 2nd deposit in the amount of the contracted remaining balance may be required based on your contracted Food and Beverage spend amount. Final payment for your event must take place the day of your event by either cash, credit card or ACH. Any payments made by check must be received 10 days prior to the event date and a credit card on file is still required to hold the space.

FOOD & BEVERAGE MINIMUMS

The Bandit has established food and beverage minimums that may vary based upon time, day, demand and space utilized. Should these minimums not be met, the difference will be charged at the conclusion of the event as an event contract minimum fee.

TAXES

Client is subject to all applicable State, County and City and other relevant local taxes, which will be added to the final bill, exclusive of the service charge (as described below) and the Administrative Charge (as described below).

GRATUITY

An 18% minimum gratuity will be added to the final bill. Additional event staff gratuities are to be determined at the sole discretion of our event clients at the close of their event. In the case an event client will not be present to voluntarily provide an additional gratuity for the event staff, only the 18% gratuity will be applied. The gratuity will be remitted in its entirety to the service staff.

ADMINISTRATIVE FEE

An Administrative Fee in an amount equal to 5% of all event charges plus any applicable state and/or local taxes will be added to the final bill. The Administrative Fee is to cover the expenses for planning and hosting your function. The Administrative Fee will be remitted in its entirety to the private event planning staff and is not a tip, gratuity or service charge for the wait staff, service employees or bartenders.
