ALLERGY INFORMATION

JOIN THE RANKS OF SATISFIED GUESTS WHO'VE CHOSEN EMMY SQUARED TO HOST THEIR MOST IMPORTANT EVENTS, BECAUSE GREAT FOOD MAKES FOR GREAT MEMORIES!

"We did a full buyout for a wedding welcome party (about 105 guests) and it was the perfect place... Everyone raved how delicious it was. It's one of our favorite pizza joints hands down for several years, so we were excited to share our love and spread the word of Emmy Squared to our friends and family. Food also was always out to make sure our guests were well fed. Service was great. It's a hidden gem to do private events at Emmy Squared, 10/10 recommend."

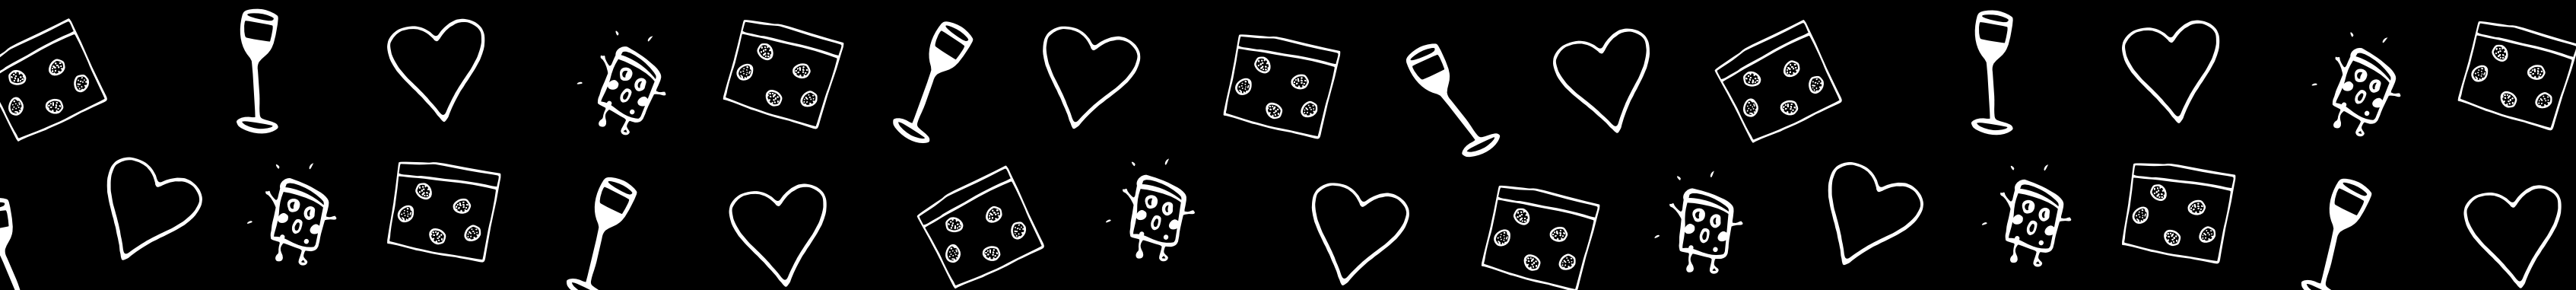

Rose Yu

"Cannot say enough good things about Emmy Squared. They hosted our group of 70 for an elopement party on the rooftop and it could not have gone better. The food was perfect - delicious, came out on time, well prepared for a big group, and got tons of compliments from our guests. Beyond the food and the beautiful venue (the rooftop on a nice day can't be beat), the staff at Emmy Squared was incredible to work with... If you are looking for party venues in Philly, pick Emmy Squared and don't look back!"

Brandon Boyd

"I planned a corporate event with last year and it was not only the easiest event I've planned in ages but it was one of the most delicious meals I've had!! It's always refreshing to be able to have a smooth event at a location that is very accommodating with nice staff. For the last year, my coworkers have been asking me to set up another event here and we're planning our next one for the holidays already. I wouldn't recommend anywhere else."
