The Gianni's Story

Celebrating 40+ years in business

Gianni's New York Pizza is a heartfelt tribute to my father, a space where I can share our cherished family traditions and recipes with our community. My dad has imparted his values to me, drawing from his life growing up in Rome and Naples and subsequently bringing our family to New York. Every day, our dedicated team works tirelessly to pursue excellence and provide our guests in St Pete with the finest New York-style pizza.
