VEGETARIAN & VEGAN ARRANGEMENTS

Vegetarian and vegan guests do not need to be included in the per-person package pricing. To ensure they are well accommodated, we ask that hosts:

Entrée:

Select one vegetarian or vegan entrée option from below in advance for those guests. This meal will be prepared separately and served the night of the event. If doing buffet or family style this entree will still be served plated.

Appetizers:

Since package appetizers are designed for the group and may not be vegetarian-friendly, hosts have two options:

- Add a vegetarian-friendly appetizer outside the regular package for the entire group to enjoy.

OR

- Arrange for a small, labeled vegetarian appetizer station for those guests only.

Dessert:

Desserts can be added on at an additional charge for the vegetarian and vegan guests. They can match what the other guests are eating or choose something special.
