

At Town House, we believe in the power of gathering. And what better way to gather than over a glass of wine?

Our wine list isn't just about varietals and regions, it's about celebrating the journey—from the sun-drenched vineyards where the grapes grew to the vibrant atmosphere of our restaurant. Whether you're sparking lively conversations, exploring new flavor profiles, or simply savoring the pure joy of a good sip, we invite you to experience wine as a living, breathing journey.

Because the magic happens the moment the cork pops—and that's the magic we want to share with you.
