In the early 1900's it wasn't hard to find Mr. Bert Jordan of the Majestic No. 1 Theatre. Dressed in a tuxedo, he would stand outside the box office each day welcoming eager moviegoers. He was an ever present fixture of Downtown Memphis Main Street hospitality, waving to passers-by and tourists on trolleys. Today, we carry on that same spirit established by Mr. Jordan over 100 years ago.

Today, The Majestic Grille honors the legacy of its building by recreating the cinematic splendor of the dawn of the silver screen, all within the comforts of a local, neighborhood restaurant.

We think Mr. Jordan would enjoy himself.

We think you will too.
