VEGAN FRIENDLY NOTIFICATION

Peace Love and Pizza cares about our Vegan peeps. Our Vegan menu items and recipes do not contain meat, casein or dairy. We carefully select ingredients that are Vegan friendly and do not take advantage of animals. Our kitchen environment uses meat and dairy in menu items not on the Vegan friendly menu. Although we do our best to use separate utensils, there is a risk of cross contamination. Please reconsider, if you have an allergy or any other reason that you cannot risk cross contamination.

ALLERGEN NOTIFICATION Some of our food may contain eggs, dairy, soybeans, sesame and/or wheat. Items that contain gluten are typically indicated by (G) on our menu. We do not use or purchase fish, crustacean shellfish (e.g., crab, lobster, shrimp), peanuts, or tree nuts (e.g., almonds, walnuts, pecans). Do not order if you have a severe allergy. We do our best to limit exposure for customers with allergies but there is always a risk of cross contamination. We substitute some of our ingredients at times when an ingredient is not available. Food may be produced in facilities that use the same production equipment as some of the allergens above even if the allergen is not listed in the ingredients.
