BENEFITING

N.I.C.K. Services is a 501(c)(3) approved organization focusing on the under served children of Lebanon County. Our goal is to link children with character building extracurricular activities when circumstances might not otherwise allow.

The mission of N.I.C.K. Services is to bolster participant's confidence and provide exposure and opportunities to explore nonacademic experiences. Our hope is that these children will identify and pursue new passions. N.I.C.K. allows doors to be opened for these kids at an early age, giving them opportunities to grow, learn about themselves, be a part of a team, and see all the possibilities they can be.
