GUEST COUNT & MENUS

Our chef works closely with local farms and purveyors to create menus that highlight the freshest ingredients available. As a result, menu offerings are highly seasonal and subject to change, including pricing.

Final menu selections must be submitted via email to the Events Team no later than two weeks (14 business days) prior to the event date.

For events with 40 or more guests, a family-style menu is required to ensure the best possible service and dining experience.

Mediterra requires a written guarantee of the final guest count at least 72 hours prior to the event. Billing will reflect either the guaranteed number of guests or the actual number in attendance; whichever is greater.

BEVERAGES

Mediterra bills beverages upon consumption.

While guests are welcome to select wines in advance to ensure availability, this is not required. Our Wine Team is happy to assist with recommendations and selections.

For outside wines, a corkage fee of \$35 per 750ml bottle applies, with a maximum of two bottles per event.

Please Note:

All Alcohol, Espresso-based drinks, Hot Teas & Juices are billed on consumption and added to the event's final bill. Fountain Sodas, Drip Coffee & Iced Tea are included in menu pricing.

DÉCOR & VENDORS

PARKING

While Mediterra does not have a dedicated parking lot, there are plenty of convenient options nearby. Metered street parking is available throughout downtown Princeton, and the Hulfish, Chambers, and Spring Street parking garages are all just a short walk from the restaurant.

TABLE

Parties are offered rectangular tables. Walnut tables are bare and set with espresso placemats and white and blue bistro stripe napkins. White tablecloths are available upon request for a fee beginning at \$150 depending on the size of the event.

FLORALS & CAKE

Florals and specialty cakes are not provided or coordinated by Mediterra.

Clients are welcome to order flowers and cakes from their vendor of choice, and recommendations are available upon request. Vendor load-in is *one (1) hour prior* to the event start time. The restaurant waives its \$4 dessert fee when participating in a three or four course menu.

A/V & MUSIC

The Private Dining Room is equipped with a pull-down screen and projector. Personal playlists, live bands, and similar entertainment are not permitted. Any additional A/V requirements should be arranged through the client's chosen vendor, with proof of insurance provided to the restaurant.

MENU CARDS

Menu selections must be submitted in writing to the Event Team by the contracted deadline. Printed menus will be provided for each guest. Clients may include a complimentary logo or message on the restaurant's standard menu template; logos and messages should be provided in JPEG or PNG format. Menu proofs are available upon request, with one revision allowed.

Place cards, table numbers, signage, and similar items are not provided by the restaurant but may be brought by clients and set up during the contracted setup time.
