ATMOSPHERE

La Spiga is located in an architecturally beautiful and rustically elegant space. Our mezzanine “floats” over the main dining room, and while events there will be private, you will be able to hear the din of the restaurant below. If your event requires a more quiet atmosphere, please consider a daytime event, Tuesday through Saturday, before we open at 5pm. Our building is also a historic and green building. We offer light air conditioning in the summer to counteract some of the heat during peak temperatures. The mezzanine is up one flight of stairs.

CHILDREN

On all pre-selected menus, children 5 and under won't be charged for a meal. All ages welcome.

PARKING

There is a covered parking garage across the street from la Spiga in the Trace Building. There are several paid parking lots within 3 blocks of the restaurant.
