## DID YOU KNOW?

*Artist Andrea Collesano was specially commissioned by Chef Yannick to create bespoke drawings for Bar Antoine's dinnerware collection. Having collected his work for years, Alléno adores the intricate, natural elements of his work. Based in Forte dei Marmi, Collesano is renowned for the dream like beauty of his work, which mixes artfully with an almost scientific, obsessive attention to detail.*

*Passionate about sustainability, he seeks to immortalize the beauty of nature through his art, inspired by the ancient and lost art of symbolic and naturalistic engravings which provide the perfect canvas for Bar Antoine's culinary artistry.*
