Discover your “aloha” and experience the captivating rhythm of San Diego’s original Sunset Luau on the Bay at the Catamaran Resort — an electrifying island tradition more than 25 years in the making. Taking place on Thursdays June 18 through September 3, guests are transported to the South Pacific with an abundant Hawaiian feast, the pulse of live island music, and spectacular Polynesian dance and hula performances. Each evening unfolds as a vibrant celebration of culture and storytelling, where every guest is welcomed with a lei and a signature Mai Tai, and *keiki* (kids) receive a playful activity bag. **F**resh off a complete renovation, Top of the Hyatt at Manchester Grand Hyatt San Diego debuts a refined new look with plush velvet seating and sweeping 40th-floor views. Through the end of May, the rooftop is transformed into The Hidden Forty, a speakeasy-inspired pop-up featuring an inventive cocktail program by mixologist Mark Watten, elevated bites, and moody Art Deco design moments. Standout sips include “Meet Your Matcha” and “After School Special,” blending classic technique with playful flair. Open daily from 4pm (21+ after 6pm), the experience offers a stylish, immersive escape above the bay. [topofthehyatt.com](http://topofthehyatt.com)

The Catamaran’s sister property, Bahia Resort, offers an Ultimate San Diego VIP Getaway Package that delivers luxury and adventure in one sun-soaked staycation. Enjoy a three-night stay in a bay view studio, a bespoke SeaWorld San Diego VIP tour with up-close animal encounters, and a private customized city tour of San Diego by La Jolla Star Transportation.
