COCKTAILS 18

For centuries, cocktails have held a cherished place in holiday celebrations across the globe. From the warm, spiced notes of mulled wine in Victorian England to the creamy indulgence of American eggnog, festive libations have long been a symbol of gathering, comfort, and cheer. In the early 20th century, classic holiday cocktails began to emerge in upscale lounges and private clubs, where mixologists crafted seasonal drinks with refined spirits, rich syrups, and aromatic spices. Today, we honor this timeless tradition with a curated selection of holiday-inspired cocktails—each one a tribute to the warmth, elegance, and convivial spirit of the season.

1789 SINGLE BARREL PROGRAM

Whiskey production in the United States goes back until the 1600's. For most of its existence they have blended barrels to create an intriguing, delicious, and consistent product. Since, the early 1900's distillers have recognized that different mash bills, yeast strains, rickhouses, and floors within a rickhouse can not only change the finished alcohol but also the flavor. In 1984, Buffalo Trace distillery released Blanton's, the first ever single barrel bourbon sold commercially. Since, then the market for the uniqueness of single barrel whiskies has exploded and begun to bleed over into other types of barrel aged spirits. Every year our team selects several unique single barrels to highlight across our restaurant group. We hope you enjoy our selection as much as we do. Cheers!!!
