*For over 17 years, Apotheke has been testing, tasting, creating, and collaborating—combining chemistry with artistry and blending creativity with craft—to offer Apotheke Patrons exceptional cocktails. The story of Apotheke began with its old-world apothecary roots and modern medicinal mixology on the quiet streets of the Bloody Angle in Manhattan's Chinatown. Today, Apotheke has evolved into a bustling brand and is known as one of the most renowned cocktail experiences in New York City, Los Angeles, and beyond.*
