Wine both ties us to our cultural past and elevates our current joy. It is a bond with nature that remains unshaken, that will pay no heed to the passing of time nor to the advancements of men. It uplifts the ordinary and breathes life into the mundane, transforming the doldrum of the everyday into an authentic experience. Let us partake in the timeless delight of sharing that-which-is-good with one another, and let our ebullience echo through the future as our glasses ring in cheers.

- Shawn Crowley, Wine Director
