Calorie counts are based on "regular" portions of dressings and sauces. We do not carry or use any peanuts or peanut products. 2,000 calories a day is used for general nutrition advice, but calorie needs may vary. Additional nutrition information available upon request. Before placing your order, please inform us if a person in your party has a food allergy. If you have a severe food allergy or sensitivity, please notify an ambassador or manager in the restaurant. Although some items do not contain any particular allergens, we cannot make any guarantees. All nutrition information is based on an individual portion of each ingredient. All stir-fries are made with a small amount of garlic oil made with Canola oil. Customization of your order may impact the accuracy and/or completeness of the available nutritional information.

Calorie counts are based on "regular" portions of dressings and sauces. We do not carry or use any peanuts or peanut products. 2,000 calories a day is used for general nutrition advice, but calorie needs may vary. Additional nutrition information available upon request. Before placing your order, please inform us if a person in your party has a food allergy. If you have a severe food allergy or sensitivity, please notify an ambassador or manager in the restaurant. Although some items do not contain any particular allergens, we cannot make any guarantees. All nutrition information is based on an individual portion of each ingredient. All stir-fries are made with a small amount of garlic oil made with Canola oil. Customization of your order may impact the accuracy and/or completeness of the available nutritional information.
