LIGHTHOUSE - Egly-Ouriet

Ambonnay, Montagne de Reims, Champagne, France

We are excited to feature a selection of wines from one of the best grower producers in Champagne, Egly-Ouriet.

Based in the Grand Cru village of Ambonnay, home of the finest Pinot Noir vineyards in the region. Francis Egly took over from his father, Michel, in 1980. It was then that he converted the vineyards to organic farming and began bottling only the fruit he grew. Very few producers in Champagne are as consistent as and deliver the quality of Egly-Ouriet.

LIGHTHOUSE - Ökonomierat Rebholz

Siebeldingen, Pfalz, Germany

As we move into the warmer months of the year we start drinking more German wine, and we believe some of the best German wines come from the incredible estate of Ökonomierat Rebholz.

Rebholz has been a leader in organic and natural winemaking, practicing biodynamics since 2006. Eduard Rebholz (1889-1966), who earned the title Ökonomierat, adopted a natural approach to vineyards and winemaking as early as 1951. Today, Birgit and Hansjörg Rebholz, along with their children Hans, Valentin, and Helene, continue to produce some of the finest biodynamic, dry, and terroir-driven wines in Germany.
