WEDDINGS

Ceremonies, receptions and full roof buyouts above the Capitol

CAMBRIA HOTEL WASHINGTON DC NAVY YARD RIVERFRONT

WEDDINGS AT CROIX

Say it on the roof.

Croix sits on the roof of the Cambria Navy Yard with the Capitol on the skyline and the river below. The dining room, the Green Room and the open-air Veranda can host a ceremony, a cocktail hour, a seated dinner and a dance floor without anyone leaving the roof, and the whole thing can be yours for the night. The food is Croix, modern Caribbean with a focus on Crucian cuisine, served family style or passed. The bar is the Croix Botanic Bar.

EVERY WEDDING INCLUDES

A dedicated sales professional and day-of coordination. Menu consultation and a tasting for two. Exclusive use of your contracted rooftop space. Banquet tables and chairs, white linens and napkins. Complimentary wedding suite and a discounted room block. In-house AV and a welcome display on the lobby wall.

GOOD TO KNOW

Wedding packages are priced per person on the guaranteed count, food and bar together, and are subject to a 24% service charge and DC sales tax. Menu selections and the tasting are scheduled with your coordinator; final guaranteed counts are due seven days out and events are billed on the guarantee or actual attendance, whichever is higher.

Food and beverage minimums apply by space and day; a full roof buyout replaces the room minimums with a single minimum. Deposits, payment schedule and cancellation follow the event agreement. Dietary needs, including vegetarian, dairy free and halal-conscious tables, are accommodated with notice. Vendors, florals, music and photography are welcome; your coordinator will share the load-in guide.
