

MIZNON

In 2011, The first Miznon opened in Tel Aviv and has since expanded to many cities around the world, feeding peoples' hearts and souls with a new kind of Mediterranean street food.

We are proud to serve only fresh and local ingredients that we curate from farmers and purveyors we know and love. That's where the magic begins.

Our vision is to take the flavor of each city and translate it into pita. We take the energy, the groove, the desires, the limitations, the beauty and the food and express it all in one pita.
