Our Venues

Cafe Mado Place des Fêtes L'Escala Golden Ratio

Cafe Mado is one of Brooklyn's most distinctive places to gather, where Mediterranean flavors and a stunning atrium space create celebrations that feel both elevated and effortless.

Once home to the Michelin-starred Oxalis, it has evolved into a brighter, more welcoming restaurant that pairs refinement with the warmth of the neighborhood. By day, sunlight pours into the glass atrium, making it a beautiful setting for baby showers, birthdays, and daytime gatherings; by night, the space transforms into an intimate glow, perfect for weddings and milestone dinners. Rooted in Riviera traditions, the menus complement versatile event spaces — from private dining in the atrium to full buyouts that flow naturally from cocktails in the atrium to dinner in the dining room. Cafe Mado offers a setting that is both distinctive and memorable.
