THE HISTORY OF IZZY'S

Inspired by infamous bootlegger Izzy Gomez, and founded by famed restaurateur Sam DuVall, Izzy's has been a Bay Area tradition since 1987. Gomez' original saloon in San Francisco's Barbary Coast was a rowdy spot for locals from all walks of life; where true hospitality was valued above all else. Woven into the cultural fabric of the city, it was a place of tradition and alluring, illustrious lore. The Izzy's of today retains that same spirit; serving craveable food and drinks in a lively atmosphere. A convivial and dependable anchor for its community, Izzy's welcomes all into its legacy - inviting loyal guests and new folks alike to dine with its history every day. *Here, stories are created and memories relived.*
