

KYMA CATERING

Bring the flavors of our restaurant to your next gathering with our off-site catering services. Whether you're hosting at home, planning an event, or providing a meal for your office, we can accommodate groups from 5 guests to 100 or more. Delivery is available throughout the city, and for larger catering orders, we can arrange service outside of our regular business hours.

Our catering is a great option for many occasions, from corporate and office lunches to holiday celebrations, private dinners, university functions, hospital events, and other special gatherings.

To determine the right amount of food, we recommend using the guest counts listed for each tray size as your guide: 5–7 guests or 10–12 guests. Rather than focusing on the terms “half tray” and “full tray,” simply select the number of trays that best matches your expected guest count. For larger parties, additional trays can be added as needed.

All catering orders must be placed at least 48 hours in advance.
