Everything is exceptional. the service. the food the location and the decor. Oh, also great wine list and amazing drinks I've never had anything at Oceanos that was less than perfection. They will remain our number one favorite restaurant to dine.

... Wonderful dining at Oceanos. Our waiter, Matthew, was delightful, very professional and never had to ask twice for anything. Seafood was perfect and oysters were delicious. Cocktails were also perfect. Almost thought we were dining in New York...
