Welcome to The Wilder.

A watering hole for bon vivants with a vision. The Wilder offers a cool, relaxing and intoxicating space where you can escape with friends and get lost in a moment. The venue is comprised of three rooms with distinct personalities: The Lobby Bar, turning out masterfully executed libations; The Terrace, for sun-drenched revelry; and a scintillating Great Room, hosting near-nightly parties. We accommodate semi-private and private events, as well as an option for full venue buyout (150 guest capacity).

A photograph of a bar interior with a rustic, industrial aesthetic. The bar features a long wooden counter with a metal railing. Behind the counter, there are multiple levels of arched shelves filled with various bottles of alcohol. The walls are made of dark wood and brick, and the ceiling has exposed wooden beams. In the foreground, there are several high-top stools with purple velvet seats and gold-colored metal frames. The floor is covered with a black and white checkered tile pattern. A yellow banner with the text "EVENT SPACES" is overlaid on the center of the image.
