ABOUT

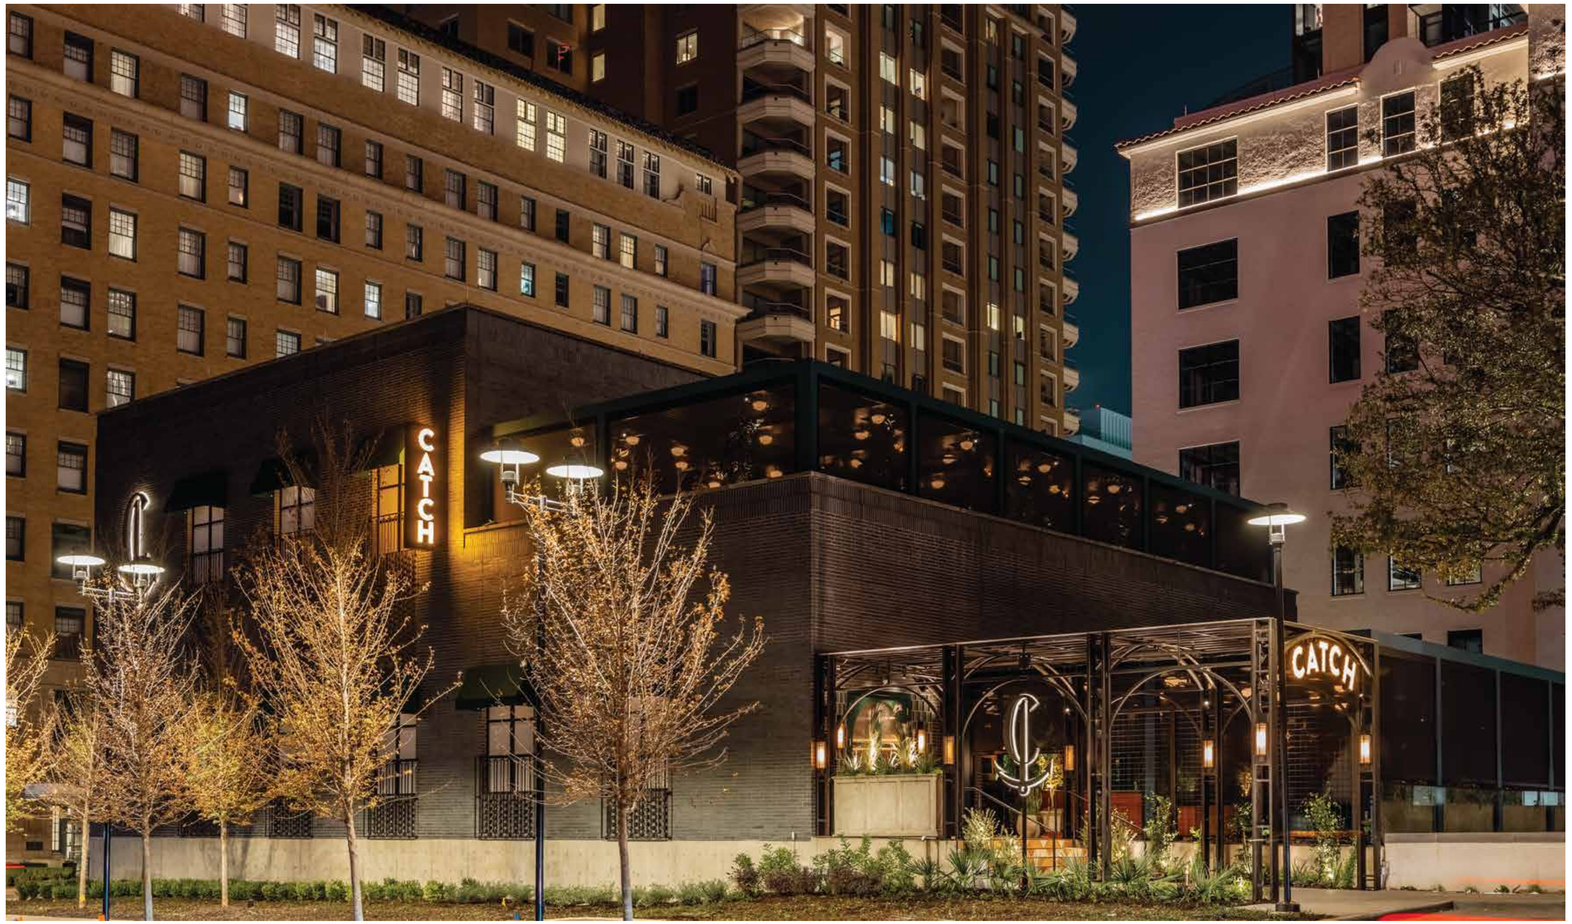

Catch Dallas, takes over the iconic and historic Maple Terrace development, as Catch Hospitality Group's eighth location.

The two-level, 16,000 square foot dining destination includes both indoor & outdoor dining and private event spaces.

The menu marries simple yet elegant seafood, sushi and steak, both globally and locally influenced. Alongside beloved signature dishes like Catch Roll and Truffle Sashimi, Catch Dallas will feature luxury sushi selections from Tokyo's Toyosu Market and a unique variety of Japanese wagyu.
