

The background image shows a warm, modern interior of a restaurant. On the left, a large window with a scalloped awning looks out onto a sunny outdoor area with palm trees. Several potted plants, including a tall spiky one and a snake plant, are on a ledge. A modern, multi-tiered pendant light hangs from the ceiling. The walls are a light, textured color, and a wooden shelf with a speaker is visible on the right. In the foreground, a dark leather tufted booth surrounds a table covered with a white tablecloth. The table is set with white linens, glassware, and plates. A semi-transparent brown rectangle is overlaid in the center, containing the text.
