# Macao Trading Co.

## About

Macao Trading Co. is more than a restaurant. It's a transportive experience inspired by the hidden opium dens and back-alley brothels of 1930s Macao. Nestled in the heart of Tribeca, our space merges the seductive spirit of old-world Asia with the boldness of downtown New York. With rich interiors, moody lighting, and unexpected design details, Macao is a feast for the senses, perfect for those looking to host something extraordinary.

Our venue offers distinct private event spaces, each with its own story to tell. Ideal for dinners, celebrations, and late-night affairs.

## Private Events at Macao

Whether booking an intimate gathering in The Den downstairs or planning a larger event in The Main Warehouse, Macao provides a one-of-a-kind backdrop that's as bold and unforgettable as the experience itself. From the moment guests arrive, they're immersed in a world of flavor, ambiance, and intrigue.

## The Main Warehouse

Main Dining Room - Private

Inspired by the crossroads of Portuguese and Chinese cultures, Macao's Main Warehouse channels the rich heritage of its namesake through layered design, bold flavors, and a moody, intimate setting.
