WHITES

Night of The Living Blends 19

These white blends may look innocent, but they're rising up with unexpected energy. From Portugal, Lebanon, and Israel, each glass is a deliciously chaotic cast of characters—floral, textured, and far from dead

Tansy *FALANGHINA*, Russian River Valley, California 2023
Vinos Lopez *GARNARCHA BLANCA*, Valdejalón, Spain 2021

REDS

The Colbert Report 22

He got canceled—so now he's uncensored. This flight is putting it all on the table: overlooked grapes, unexpected regions, and not a single crowd-pleaser in sight. Or so you thought... You may not think of these wines as showstoppers... but they're here to prove you wrong.

Interview with a Vampire 24

These wines didn't come to play—they came to slay. With dark fruit, moody vibes, and just enough bite, this flight is basically a velvet-lined coffin of flavor. Sip slowly... they're watching you.
