Pine Hall is a cocktail-driven bar with classic roots and the soul of a neighborhood tavern.

Located in the original Hudson's site, Pine Hall pays homage to Detroit's history and Hudson's Pine Room through subtle touches—from vintage elevator keys to ice-cold cocktails featuring Michigan spirits. We serve classic cocktails, cold beer, and tavern fare alongside sweeping city views, with a variety of spaces suited for everything from casual gatherings to special celebrations.

For larger occasions, we offer a range of private and semi-private event options for corporate gatherings, parties, and special events, with flexible layouts that accommodate groups of varying sizes.
