Pine Hall is a cocktail-driven bar with classic roots and the soul of a neighborhood tavern.

Located on the twelfth floor of Detroit's historic Hudson's building, Pine Hall pays homage to the site's legacy through subtle touches, from vintage elevator keys to ice-cold cocktails featuring Michigan spirits. Floor-to-ceiling windows frame sweeping views of the city's most iconic architecture, creating a striking setting for events of every kind.

We host groups of 10 to 185 guests across a range of private and semi-private spaces, with menus built around classic cocktails and elevated tavern fare, and flexible layouts suited to everything from casual gatherings to milestone celebrations and corporate events.

Whatever the occasion, our team works closely with you to bring your vision to life above the Detroit skyline.
