Pine Hall is a cocktail-driven bar with classic roots and the soul of a neighborhood tavern.

Located on the twelfth floor of Detroit's historic Hudson's building, Pine Hall pays homage to the site's legacy through subtle touches, from vintage elevator keys to cocktails featuring Michigan spirits. Floor-to-ceiling windows frame sweeping views of the city's most iconic architecture, creating a striking setting for events of every kind, from casual gatherings to milestone celebrations and corporate events.

We host groups of 10 to 185 guests across a range of private and semi-private spaces, with menus built around classic cocktails, elevated tavern fare, and flexible layouts.

Whatever the occasion, our team works closely with you to bring your vision to life above the Detroit skyline.
