### OUR PHILOSOPHY

"Treat people like kings and kings like people."  
- Giuseppe Cipriani

We pair delicious food with genuine hospitality. The team at Post House is committed to serving our guests with warmth and attention that is certain to have you planning your next visit before your meal is complete. Our menu offers contemporary American cuisine made up of the best ingredients sourced with our guests in mind. Highlighting the region's best produce, locally caught seafood, and sustainably raised meats, our menu is an ode to all the incredible food that is produced right here in the Lowcountry. It is comforting, fresh, and rotates with the seasons. Our guests inspire us to create a place that is both approachable and intentional with something for everyone. At Post House, you are sure to feel right at home.

### DRINK PROGRAM

Our beverage program is a celebration of old and new, bringing together our take on the spirit-driven classics and keeping up the curious with seasonally inspired libations. Our wine list has been thoughtfully curated to represent regions all over the world. Pop in after the beach for a glass of rosé or settle in with a burger and a bottle of barber and settle into Old Village life. A trap door in the dining room leads down to our cellar, the former village cistern, tempered naturally and home to our hand selected wines.
