OUR STORY

Since 1963, the original Clyde's of Georgetown has become a local favorite and helped transform M Street from a row of dimly lit watering holes to the commercial destination it is today.

The best food starts with the best ingredients. Now widely embraced, most gave this simple idea little thought until recently. At Clyde's Restaurant Group, however, this view has always informed how we create our menus. We embraced a farm-to-table approach before the term was coined. Decades ago, we chose to source ingredients locally, establishing relationships with farmers who grew the best fruits and vegetables around. Working directly with nearby farms gave our chefs the freshest ingredients to create the most flavorful dishes, while also supporting the local economy.

At Clyde's, we call this seasonal, sustainable food philosophy our "Commitment to Better," and it informs everything we do. In addition to local, farm-grown produce, our restaurants showcase the freshest seafood from nearby waters, supporting fishers along the East Coast, including the neighboring Chesapeake Bay. And we proudly serve humanely raised beef and chicken that's free of hormones or antibiotics.

Thank you for considering Clyde's of Georgetown for your upcoming event. Our sincere belief is that great dining begins with fresh ingredients, friendly people, and an unforgettable atmosphere. Our Executive Chef and Event Team are here to help you create that experience.
