

# THE HIDDEN VALLEY SKI CLUB

Recently given a modern facelift, this one-of-a-kind space brings the feel of a curated cocktail lounge to our events concepts here at the Post Mountain House. With a capacity of up to 40 guests, The Hidden Valley Ski Club Room is ideal for intimate celebrations, creative corporate gatherings, or anything in between.

Unlike traditional event spaces, the room is designed for connection and flow, encouraging guests to mingle, sip, and savor from our Club Room only menu.
