The Sacco Family has been preparing submarine style sandwiches since 1947, at the White House Sub Shop of Atlantic City. Twenty-two years later, in 1969, Sack O' Subs in Ventnor opened their doors and began offering the same quality to the downbeach area.

In 1994 the Sacco Family introduced the same expertise to Ocean City. In 1999 Sack O' Subs added another store in the offshore community of Absecon. In 2008 the Sacco Family opened its first casino location in the Taste of the Shore Food Court at Harrah's Atlantic City. Our second casino location, in the Taste of the Shore Food Court at Bally's Atlantic City, opened in 2011. In June 2014 we opened our seventh location in Egg Harbor Township.

We pledge to continue to use only the finest ingredients that have enabled these businesses to thrive for over half a century. We take pride in each of our establishments' quality & service, and we will continue to do so in order for our proud tradition to live on!
