HACIENDA TULUM

# A place to gather & give thanks

Designed by Paulina Moran, Hacienda Tulum invites you to settle in, share a table, and enjoy the warmth of Mexican hospitality. Here, every gathering begins with a welcome and becomes a memory.

Chef Eduardo Salgado brings his cooking to the heart of that experience, with bold flavors, dishes made to be shared, and moles that carry depth, warmth, and a sense of tradition.

This Thanksgiving, we bring that same spirit to a celebration of gratitude: familiar holiday flavors touched by Mexico, generous plates passed around the table, and time set aside for the people who matter most.

Gather with family, celebrate with friends, and let us make you feel at home. Stay for another story, another toast, and the pleasure of being together a little longer.
