Our Story

Welcome to The Waldorf Hilton, London. Standing on the Aldwych since 1908, we were built with one purpose: to be a grand hotel.

That history wraps around you the moment you arrive, written into the architecture and woven into the walls.

A century of presence, distilled into one simple truth: you are exactly where you belong.

Grand in presence. Personal in spirit.

Distinctly Waldorf.

Waldorf Weddings

Congratulations on your recent engagement and thank you for considering us as the venue for your wedding.

Every wedding at The Waldorf Hilton is completely unique, with each part of your special day designed just for you.

Our dedicated wedding planner will be with you every step of the way.

So, swipe through to start your Waldorf journey.

Palm Court

Palm Court is one of London's most lavish and historic spaces for all kinds of wedding celebrations. Located at the heart and soul of the Waldorf, this beautiful venue has been home to iconic guest celebrations since 1908.

Featuring Grade II listed marble flooring, French-style doors and windows, a wrap-around balcony, glass ceiling, and ornate light fixtures. All of this sets the tone for refinement and romance.

Protected by The English Heritage and lovingly restored by Hilton to its 1908 Edwardian glory, our luxurious Palm Court was even featured in the 1953 film 'A Night To Remember' and the hit 2019 movie Rocketman, just to name a few. Even better, Palm Court welcomed guests to host London's first Tango Tea Dances over 100 years ago.

We're licensed for civil ceremonies and partnerships for up to 300 guests, allowing you to spend your entire wedding celebration with us from start to finish.

Adelphi Suite

Step into the beautifully restored Adelphi Suite, where timeless elegance sets the scene for an unforgettable celebration.

Modern chandeliers cast a romantic glow over magnificent marble columns and plush carpeting. With a staging area for entertainment and a fabulous dance floor for your after-party.

Uplighting can also be entirely customised to match your theme, just add our state of the art audio visual systems and you've got the ultimate wedding party venue.

The versatile space can be split into three suites, and used separately for dinners, dancing or a dedicated catering space.

The Adelphi Suite can host up to 320 guests for a dinner dance, 340 guests for a banquet or a glittering reception for up to 500 guests.
