

REAL MOMENTS

Sylvia + Danny

OCTOBER 26, 2024

ABBY ROSE PHOTOGRAPHY

“We are both very proud of our St. Louis roots and worked to incorporate our love for it in the little details of our wedding. Seeing that come to life, especially during our first look of the reception was incredibly special. Our venue, the Old Post Office had major sentimental value to us, as Danny's late father was heavily involved in the restoration of the building in the late '90s and early '00s. One of his business partners and closest friends gave a speech explaining the significance of the building, which many of our guests mentioned was one of the best parts of the evening.”
