# FAQ

## rental cost

The food truck starts at \$1600.

This includes the \$1200 food & beverage minimum, \$300 staffing and \$100 transportation up to 8 miles of travel from Big Star Wicker Park exclusive of taxes & fees.

## distance of travel & transportation fee

For events 8-16 miles from Big Star Wicker Park, transportation is \$150.  
Every mile beyond this radius is an additional \$5 per mile.

## staffing fee

Some events may require additional staff members based on timing of the event, guest count and additional menu selections. The additional staffing fee is \$200 for each staff member.

## service window

We offer a 1.5 - 2 hour service for events.  
We will arrive 15-30 minutes prior to the service start time in order to set up.

## licensing

The license we hold for our food truck allows us to operate it as an extension of our catering program.  
Due to this, all events must be contracted and paid for in advance.

## parking & permits

The truck is best suited for events on private property (venues, parking lots, homes, etc.) where parking is provided. Some suburbs or parks may request a permit for a food truck to operate.  
We are happy to work with the client to obtain. Truck dimensions are available upon request.

## booking lead time

All bookings are based on availability. To secure your date, a signed contract and deposit are required.

## trash & disposables

Big Star will provide the utensils, napkins, food boats, plates (if necessary) and a printed menu.  
We also provide trash cans and disposal.

## deposit

We require a 50% non-refundable deposit to secure the food truck.  
If the event is scheduled less than seven (7) days out, full payment is required at time of booking.

## event cancellation policy

The 50% event deposit is non-refundable. If the truck is canceled within seven (7) business days of the event, the full amount of the total cost of the food and staffing are owed to Big Star.
