CC Cross Contamination with Gluten or Shellfish

* Cilantro is not an allergen recognized by the FDA, however this information is provided for guest knowledge.

While we strive to provide accurate allergen information, we cannot guarantee the absence of cross-contamination in our kitchen. If you have a severe allergy, we strongly recommend that you inform a team member or contact us directly to discuss your dietary needs. Our team is committed to your safety and will make every effort to accommodate your request, but please understand that our environment may not be suitable for those with life-threatening allergies.
