Our Services

The Mount Vernon Inn Restaurant can provide an array of wedding services, such as bridal showers and teas, rehearsal dinners, ceremonies and receptions.

Delight your guests with a unique dining experience featuring a variety of menus, plated or buffets, using products cultivated from General Washington's gardens. We can customize and tailor our offerings to your needs.

Ceremonies can be held in the beautiful Sunken Garden, adjacent to the reception space. The garden provides the ideal setting for an intimate and picturesque backdrop for wedding photos, complete

with a bridal staircase. An elegant brick-and-slate outdoor courtyard accommodates up to 160 seats under a tent.

For an additional fee, the Mount Vernon Inn's wedding and catering team provides the option for wedding and ceremony coordination. Allow us to assist with day-of preparation, decor, vendor contracting, ceremony coordination and floor plans.
