

Recommended limits for a 2,000 calorie daily diet are 20 grams of saturated fat and 2,300 milligrams of sodium. This nutritional information is updated every 6-8 weeks to reflect the most recent revisions to the menu items. The information in this nutrition file will not always match the information on the printed menu as menu prints take place less frequently. Please refer to this master nutrition file for the most up to date information. There may be variations in nutritional content across servings, based on variations in overall size and quantities of ingredients and based on order customization. Nutritional information includes standard sides unless otherwise indicated. This nutritional information is solely based on the estimated database analysis using available standard USDA ingredients or specific brand name ingredients that are contained within our outside laboratories' computer database programs. Some nutritional values may vary depending on the exact ingredients and specific brand name ingredients that are used to produce this food product. Variation in serving sizes, preparation techniques, product testing and sources of supply, as well as regional and seasonal differences may affect the nutrition values for each product. You should expect some variation in the nutrient content of the products purchased in our restaurants. None of our products are certified as vegetarian. This nutritional information is current as of April 2026.

This Nutrition data was prepared on April 2026. This data has been determined solely based on the recipes, yields, and ingredient specification sheets provided by ISLANDS RESTAURANT. As requested by Islands Restaurant, we have conducted a computer database nutrition analysis for the menu items above. This is an estimated analysis using the current available standard USDA ingredients or the specific brand name ingredients that are contained within the computer database program we use.

Some nutrition values may vary depending on the exact ingredients and specific brand name ingredients that are used to produce this menu item. This data is solely based on the current recipes and ingredients at the time this nutrition analysis was conducted. Please check with the store's manager or Islands Restaurant to confirm if the recipes or ingredients have been changed after the date of this analysis.
