THE DETAILS

Constructed in 1907, this former FBI parking garage has been converted into a classic, vintage event space – perfect for a rustic Manhattan wedding. Our venue is available for all types of events including ceremonies, receptions, cocktail hours, and social events!

Little decoration is needed with the building’s impressive architecture and distinctive décor.

This iconic venue offers exposed brick, wooden beams, hand-painted murals & dynamic high ceilings all naturally lit by sky lights. Our climate-controlled hall is an ideal option for weddings throughout the year.
