The Nauti Liquor List

AKA The Booze Board

Welcome to the Nautilus. We take pride in the curation of everything we do here, and our extensive selection of spirits is no exception.

This list is updated regularly, but its possible we are out of something (our appologies), or that we have something new thats yet to get added. All prices shown for liquor represent a standard 2oz pour, unless otherwise noted.

Any questions? Please ask. Need a suggestion? We can do that. Want to go out on a limb and take a chance on something you've never had? Highly recommended, as we sample & approve all spirits on the list.

Have fun! Drink responsibly & thank you for drinking with us.
