

THE NAUTILUS

Wine & Sake Bottle List

Wine Director

Brittany Tangora

Certified Sommelier, Italian Wine Ambassador

AGM & Sommelier

Brandon Spears

Managing Partner & Wine Consigliere

Stephen William Bowler

Welcomel

Our Bottle Policy

We're so happy to have you here. Inside this list, you'll find a collection of wine that we're extremely proud to offer our guests. Each wine has been hand selected by our team. We open each bottle table side & give you the opportunity to taste the wine to check for faults.

When it comes to wine faults, this typically means cork taint. Cork taint presents itself as a "wet cardboard" taste. Other less common wine faults include volatile acidity, oxidation, heat damage & Brettanomyces, to name a few. It almost goes without saying that if something is glaringly wrong with the wine - if it does not taste the way it is supposed to taste - we will of course open a new bottle or find you a different wine. In the case that you think your wine is faulty, or even if you are unsure, our wine staff will taste the wine & let you know whether it is sound or not. What you are not doing is tasting the wine to see if you like it. The only acceptable reason to reject a wine is faultiness. In the case that you choose to reject a wine that is not at fault, there will be a restocking fee for the cost of the bottle (50% of the menu price).

Wine is a living & breathing thing. It can change over time, even from your first sip to your last. With that being said, sometimes it takes a few minutes for a bottle to fully open up (we can all relate)! Please trust in our well trained wine team that we are providing you with some of the best wines in the world, kept in prestigious conditions, to offer you what the winemaker wants the most: a beautiful glass of wine, meant to be enjoyed.

Cheers,

Brittany, Brandon, Stephen

Table of Contents

Features

Premium Chilled Sake	6-7
Half Bottles & Large Format Bottles	8-9
Champagne + Other Bubbles	10-11
Rosé + Orange	12-13

White Wine

Spain	25
Portugal & Around the World	26
Italy	27-28
Cabernet Sauvignon	29-31
Syrah & Grenache	32-33
Other USA Reds	34

Dessert	35
---------	----

Chilled, Premium Sake

Sparkling

1401 Suehiro, *Poochi-Poochi*, Sparkling Nigori, Fukushima 300ml 37

With just a hint of sweetness, this sparkler lends itself to food pairings. Honeydew notes and traditional creminess along with a great light body and fine bubbles.

1402 Masumi, *Origami*, Sparkling Junmai Ginjo, Suwa 720ml 152

Bottle-fermented, Masumi Sparkling combines fine bubbles and crisp acidity with the mild sweetness and deep umami of sake. Offered in extremely limited quantities.

Nigori: Unfiltered & Cloudy

1405 Wakaze, *The Classic*, Nigori, Paris, France 750ml 75

Based in Paris, this brewery is using rice grown in the Camargue area of southern France. Precisely structured like its Japanese counterparts, a surprising find outside its home country.

1413 Ohmine, 3 Grain, Winter Arrival, Nigori 720ml 145

Silky lactic acid, tastes of yogurt & burrata cheese are present, sweet finish Wasanbon (fine grained traditional Janpaese sugar)

Gentle, Subtle, Easy-Drinking

1406 Konteki, *Tears of Dawn*, Daiginjo, Kyoto 300ml 49

Subtle tropical fruits like mango and banana mingle with heightened floral aromatics. Smooth texture and beautiful balance.

1407 Nagurayama, Crescent Moon, Junmai, Fukushima 300ml 55

Such an easy drinker, gently dry but lightly fruity. Nice balance between the two.

1417 Sesshu Otokoyama, Junmai Daiginjo, Kansai 300ml 69

Super dry & light. Notes of citrus & beautiful minerality.

1421 Heiwa, Junmai, *KID*, Wakayama 720ml 79

Savory yet sweet rice notes. Soft yuzu brightness with a hint of honey on the nose with a balanced bitterness.

1420 Seikyo, Junmai, *Mirror of Truth*, Takehara Hiroshima 720ml 148

Mellow, mild, and balanced with hints of honey & brown butter.

Full & Textured

1408 Masumi, *Mirror of Truth*, Junmai, Suwa 300ml 42

In production since 1662, this sake was originally brewed for use at the local temple. With a range of subtle, layered flavors and unmistakable smoothness, this sake pairs perfectly with fatty meats & fried foods.

1403 Senjo, Junmai Daiginjo, Nagano 300ml 55

One of the youngest breweries in Japan, dating back to the 1860s! Full bodied and rich with a huge bouquet of tropical fruit! Pairs perfectly with all of the richer food items on our menu!

1418 Brooklyn Kura, *Blue Door*, Junmai, Brooklyn 750ml 78

Full bodied, dry, umami flavors with notes of banana & ripe melon. Such an incredible sake made in Brooklyn, New York.

Chilled, Premium Sake Cont'd

Precision & Luxury

- 1404 Yukiotoko, Yeti, Honjozo, Niigata 720ml 62**
Clean, dry and beautiful minerality with notes of umami, pairs incredible with a range of food!
- 1419 Harada, Junmai 80, Chugoku 720ml 83**
Named for its rice polishing at 80%, this is a deliciously complex yet balanced sake with flavors of ripe tropical fruits like mango, & baking spices along with a savory umami finish. Pair this with the duck, the rib-eye & all of your favorite "from the garden" dishes!
- 1411 Shiokawa, Cowboy Yamahai, Yamahai Junmai Ginjo Genshu, Niigata 720ml 84**
The slower the Yamahai method of developing the koji "mash" allows for growth of other yeasts and bacteria developing meaty, gamey, smokey, umami-rich flavors.
- 1414 Shichi Hon Yari, Fresh Katana, Junmai Namazake, Kinomoto 720ml 86**
Brash, yeasty, biscuity nose, almost like opening a fresh box of Cheezits; fresh, grapefruity flavors; sharp and clean finish. This namazake, or unpasteurized sake, is a seasonal sake only available in the winter immediately after fermentation is finished.
- 1412 Koshi No Iso, Sesame Yushi, Junmai Ginjo Muroka Genshu, Fukui 720ml 102**
Rich and multi-layered with depth & complexity that can stand up to even the strongest flavors. This is whole roasted Peking-style duck sake (because you did order the duck, right?)
- 1416 Aumont Shuzo, Kajikawa, Junmai Daiginjo, Niigata 720ml 125**
This sake is named in honor of the Kajikawa River, which is a huge source for the Aumont Shuzo Distillery. It's refined and mild with light notes of chestnut, toast, brown sugar & raisins. Enjoy this by itself or with quite literally anything on the menu!
- 1410 Asahi, Dassai 23, Junmai Daiginjo, Yamaguchi 300ml 126**
Polished to a ridiculous 23% with luscious aromas of berries & flowers. Clean, plump, and layered with touches of plum, minerality & brown sugar.
- 1409 Shichi Hon Yari, Silent Samurai, Junmai Daiginjo, Kinomoto 500ml 200**
The third oldest brewery in Japan! The rice is polished way down and then fermented even slower than normal and collected drop by drop after fermentation. The result is a smokey, dry sake that is the perfect match for our waygu. Because the brewers don't press the sake, only a small amount of sake is gleaned from each batch, making availability limited.

Sake Level: Expert

- 1415 Terada Honke, Katori 90, Junmai Muroka Namagenshu, Chiba 720ml 83**
Terada Masaru is following in his predecessor's footsteps, leading a brewery where the whole incredibly labor-intensive process is done by hand. Results in tastes that are bold, full-bodied, and expressive with a signature high presence of lactic acid. Kimoto slow ferment, unpasteurized, undiluted, unfiltered!

Orange/ Skin Contact

Orange wine is white wine that's been fermented with its skins for days, sometimes even months, which gives the wine this orange color. This is one of the world's oldest types of wine, dating back to 6,000 BCE! Orange wine has a wide range of flavors including tropical fruits, orange blossom, peach and apricot. Ask our wine team which our favorites are (it's hard to choose!)

THE NAUTILUS

My only regret in life is that I did
not drink more wine.

- Ernest Hemingway
