# EVENT SPACES

## FULL VENUE

For the ultimate event, only a restaurant buyout will do. Recommended for groups of 200 or more, a buyout offers 8,000 square feet of rustic space to fully customize your event. The ground floor features a large u-shaped bar, perfect for guests to mingle and enjoy the finest craft cocktails. Venture upstairs past the DJ booth, and discover a secondary bar as well as ample space for food stations or dining tables. Antique mirrors reflect light from the restaurant's focal point: an illuminated custom metal tree sculpture.

SEATED: 180 • RECEPTION: 300

## APEROL CORNER

Aperol corner provides a semi-private area with Chef and kitchen views. The space is perfect for happy hour with a few friends and co-workers or dinner for 14-18.

SEATED: 12 • RECEPTION: 18

## FULL SECOND FLOOR DINING ROOM

The second floor dining room gives the energy of Bar Siena, combined with a more private setting for corporate or social gatherings. Dominating the center of the space is a sweeping iconic metal tree sculpture, illuminated by hundreds of LED lights. Sleek booths alternate with large windows overlooking Randolph Street and the Chicago skyline, while a private bar and multiple TVs ensure your guests have everything that they need. The Tree House boasts the perfect canvas for a stationed style event while the organic flow will have your guests moving around the whole space.

SEATED: 120 • RECEPTION: 150

# EVENT SPACES

## TREE HOUSE WEST

Ideal for intimate receptions or group dinners, the west side of the second floor provides a dedicated space without losing the energy & ambiance of the dining room. Relax in tufted leather booths and take in the scene. Great for large group dinner and provides one central area to be surrounded by all of your guests. The flexibility of this dining area allows for it to be condensed or extended.

SEATED: 36

## CAMPARI

See and be seen in this main attraction space located directly upon entry onto the second floor. A vintage Campari soda sign distinguishes the area and is comprised of outward-facing booths and high tops that provide a full view of the dining room's landscape. Enjoy bar access while mingling amongst your guests and transform the space by rearranging or removing cocktail tables to expand your floor space and make it more intimate.
